

SCGJ | SKILL COUNCIL FOR
GREEN JOBS

Industry Associate of SCGJ

We are pleased to participate in the National effort of Skill development mission and SwachhBharat through Industry participation, being undertaken by the Ministry of Skill Development and Entrepreneurship through National Skill Development Corporation and Sector Skill Councils. SSCs are industry-led and industry-governed bodies, which will help link the requirements of industry with appropriately trained manpower.

We note that the Skill Council for Green Jobs is being promoted by the Ministry of New and Renewable Energy (MNRE) and Confederation of Indian Industry (CII). Considering its immediate need and long term impact, our Organization supports this initiative and would like to be an Industry Associate of Skill Council for Green Jobs (SCGJ).
